To Those in Quest of a Rug . . .

To intending purchasers of rugs, we would state, that just before the change in tariff, we received a large assortment of **Japanese Rugs.**

By buying these rugs before the change, a saving of about fifty per cent (50%) was effected, which our customers are to profit by, as we do not intend, for the present, to increase the price of these rugs, but to sell them, while they last, at the old prices.

Under these conditions, a buyer, here, now, can buy these for much less than they are sold for on the mainland.

We have made a display of these rugs in our large central show window, where their beautiful designs and harmonious colorings are sure to attract attention.
